EDUCATION

Claremont McKenna College, Claremont, CA

Dec 2026

Bachelor of Arts in Economics with a sequence in Data Science

- GPA: 3.84 (out of 4.0)
- Awards: Robert Day Scholar: Selected as one of 30 students for a prestigious leadership program focused on advanced coursework, mentorship, and professional development

EXPERIENCE

March Capital, Santa Monica, CA

Jun 2025 – Aug 2025

Data Analytics & CRM Intern

- Rebuilt a broken CRM from scratch: cleaned 20,000+ contacts using Cursor, Sonar, and Stata, saving 80% of manual processing time and restoring team trust in the system
- Designed and integrated AI-driven automations and workflows, translating partner needs into technical solutions the team actually used
- Boosted email open rates from 40% to 50% through data-driven segmentation and targeting; built models to identify high-potential entrepreneurs for Montgomery Summit

9Oak, Starpoint Properties, Beverly Hills, CA

Jan 2026 – May 2026

Strategy Intern (EV Project)

- Built an AI-assisted site selection model integrating demand, infrastructure, and market signals; presented solution architecture and findings to senior stakeholders
- Automated collection of live Tesla Supercharger data via APIs and scripting to evaluate real-time usage and inform location decisions
- Analyzed utility pricing, charging economics, and revenue drivers to produce a business case for infrastructure investment

Girls Into Venture Capital, Claremont, CA

Dec 2025 – Present

Director of Product & Technology

- Produce a bi-weekly VC newsletter and a 10-month curriculum of workshops, case studies, presentations to VCs, and speaker events
- Primary technical owner: built and maintain the website using AI-assisted development tools, coordinating with leadership on roadmap and priorities

Lowe Institute of Political Economy, Claremont, CA

Sep 2024 – May 2025

Data Journalist

- Conducted independent research analyzing 500,000+ data points on H-1B visas and Africa's female unemployment rate; published 2 articles read by students, faculty, and external stakeholders
- Used Stata and R to run 10+ regression models, translating complex statistical findings into accessible data-driven narratives

Atom Privé, Bangalore, KA

May 2024 – Jun 2024

Wealth Management Intern

- Analyzed mutual fund performance factors and built data visualizations for client presentations, contributing to a 10% increase in client traction

LEADERSHIP

President, Girls into Venture Capital at Claremont McKenna College

Nov 2025 – Present

External Logistics Officer, Tamasha Dance Team

Sep 2024 – Present
